Who's that? He's got so much stuff and is taking up so many seats.
No idea. He looks really full of himself.
Maybe he's saving a seat for a friend?
If I were that friend I'd be embarassed.
Hey ground beetle over here!
Loudly
Really? That's the student god's friend? Unbelievable!
The bookworm has never had a friend before!
Ordinarly the student god likes to keep a low profile, To think that she made such a bizarre friend...
Hey! How many seats does one bookworm need to take up?!
